Master Calendar Held-up

The distribution plan for ISD's Master Calendar has been delayed. The calendar needs submissions from the campus, but unfortunately, the computer program designed to ease this process has not been delivered to the various work stations across campus. Meanwhile, submissions in any form are welcome. The software will be installed as soon as possible.

CAID Membership Drive

Michael Finneran, President of the Convention of American Instructors of the Deaf (CAID), has issued a call for all teachers and related educators involved in the education of Deaf children to join CAID. "As we have seen, a number of Deaf children are being abused by ... ignorant people who claim to be 'experts' ... Let us dream Clerc's dream - we can make a difference!"

Membership forms are available in ISD's Visitor and Information Center.

BIBI Thought for the Week:

"America has been called a melting pot, but it seems better to call it a mosaic, for in it, each nation, people or race which has come to its shores has been privileged to keep its individuality, contributing at the same time its share to the unified pattern of a new nation."

King Baudouin 1 of Belgium
